

### **modern welding technology pdf**

The Welding Technology program is designed to prepare students for entry-level employment. The program complies with national standards established by the American Welding Society (AWS).

### **Welding Technology**

Welding is a fabrication or sculptural process that joins materials, usually metals or thermoplastics, by using high heat to melt the parts together and allowing them to cool causing fusion.

### **Welding - Wikipedia**

Program Description Mechanical Technician â€“ Welding Fitterâ€™s diagnose, install and maintain plant machinery in a systematic manner with a high degree of efficiency.
