Students learn best when instruction is: Appropriately Challenging. Kids (and adults!) learn best when they start at their current level of understanding and are challenged " with support (teacher, peers, materials, etc.) " just beyond what they are comfortable doing on their own.

Instructional Strategies - For the Teachers

Role playing can feel very awkward for both the teacher and student. If this is not comfortable, start out by going out in the community and "people watching".

Do2Learn: Educational Resources for Special Needs

Structure. Project-based learning emphasizes learning activities that are long-term, interdisciplinary and student-centered. Unlike traditional, teacher-led classroom activities, students often must organize their own work and manage their own time in a project-based class.
