About Us. BOOM Collective is a dynamic team of environmental design engineers and design consultants. Our interdisciplinary approach has been developed from an in depth understanding of all aspects of building design and a shared passion for delivering projects successfully and with integrity.

## **Boom Collective**

A team is a group of individuals working together to achieve their goal. A group does not necessarily constitute a team. Teams normally have members with complementary skills and generate synergy through a coordinated effort which allows each member to maximize their strengths and minimize their weaknesses.

Despite the ubiquity of leadership influences on organizational team performance and the large literatures on

leadership and team/group dynamics, we know surprisingly little about how leaders create and handle effective teams.
