

the art of persistence pdf

The Persistence of Memory (Catalan: La persistència de la memòria) is a 1931 painting by artist Salvador Dalí, and one of his most recognizable works.

The Persistence of Memory - Wikipedia

Persistence of vision refers to the optical illusion that occurs when visual perception of an object does not cease for some time after the rays of light proceeding from it have ceased to enter the eye. The illusion has also been described as "retinal persistence", "persistence of impressions", simply "persistence" and other variations.

The prominence of circles and circular motion has been one present in scientific discussion of the structure of the universe from Aristotle to Einstein. Development through Ptolemy, Copernicus and Kepler created elliptical variations, but in essence, the scientific community has been unable to break free of a certain degree of circular motion ...
