

the conscious parent pdf

The Conscious Parent, written by the Child Project's founder, Philip Golabuk, is an eight-week, self-study course in Adobe PDF format that presents both the principles and practical methods of conscious parenting. Each week covers an essential aspect of meeting and engaging our children with empathy, respect, and practical considerations of their needs at the various developmental stages. This beautifully illustrated, 125-page curriculum is designed to help parents apply enlightened ...

The Conscious Parent: Transforming Ourselves, Empowering

Unlike many parenting books, it's less about how to parent and more about how parenting itself is an invitation for your own spiritual growth -- an opportunity to develop your mindfulness so that you can respond to your children in a present and conscious way.

or who are not "mindful parents", fully conscious of their child's feelings, often misread the problem and use discipline or punishment as a response to perceived behavioural problems. An adult who is punished unfairly feels resentment, argues Dr Tsabary and so, too, does a child. Her caveat on this theory is that a mindful parent knows the difference between a child who is truly ...
